## Employment Opportunity – Surveyor's Field Assistant

---

We are currently seeking a suitably experienced applicant to play a key role in the ongoing growth and development of the StrataSurv Surveyors Group.

**Position Title:** Surveyor's Field Assistant

**Date Posted:** 08-02-2007

### Minimum Qualifications:

- Construction Induction Green Card
- Current driver's licence

**Responsible to:** Survey Management

**Location:** Based in Concord Office, Sydney, Australia

**Job Type:** Full Time

### Description

Survey field assistants help Surveyors determine the location, area and elevation of natural and constructed land features. This information is used for the setting out and preparation of plans for both design, construction and Quality Control.

Survey assistants may perform the following tasks:

- Clearing of vegetation and debris to allow measurements may be taken
- Transport, assemble, dismantle and maintain surveying equipment
- Place survey marks for boundaries and construction works
- Assist surveyors in measuring areas, angles, distances and elevations using tape or electronic equipment.
- Record measurements manually or in an electronic field-data recorder.
- Filing of Survey Records
- Stocking and cleaning of survey vehicles

Survey assistants work in a range of indoor and outdoor surveying areas, such as land, waterways and engineering.
